Mailbox Club Testimony

Here is a drawing by a Mailbox Club student. In the first speech bubble it says, "If you have not believed in Jesus as your Savior raise your hand". In the second speech bubble it says, "I have not yet but I want to today".

The drawing is priceless! Here is a student expressing through a picture that he wants to accept Jesus.

~Testimony shared by the CEF Mid-Cities Chapter

Dear CEF Supporters,

Help us finish strong in 2021 with a generous year-end gift!

In 2020-2021 we saw 4,560 children make a profession of faith, bringing the total professions of faith in CEF Southern California to over 260,000 over the last 10 years!

We also celebrated 16 million children reached worldwide in CEF ministries.

With 2022 on the horizon, I'm really looking forward to all that the Lord has in store here in Southern California. Our local directors and volunteers are working through incredibly difficult times to reach the children here in Southern California with the Gospel. It is amazing to see their tenacity in pushing through barriers to see our goal of every child, every nation, every day, accomplished in our state.

Today, as you make a year-end gift, we want you to know your gift will be used to advance the Gospel and encourage God's children through the teaching of His Word. Make your year-end gift by giving online via our website at www.cefsoca.com or by mail.
